Principal's Message

We are at that time of the year where the weather starts to ramp up as do our end of year activities. It is a very busy time. The League Tag days proved to be a big hit for our Years 2-6. It is always great to have "friendly" games against other schools from the coast.

SYDNEY EXCURSION

What a great day we had in Sydney on Monday. The Lego exhibition was fantastic and the children had fun building their own creations. Lunch at Pancakes on the Rocks was delicious to say the least. Our walking tour of The Rocks area was very interesting. Our tour guide Sarah was very impressed with the knowledge that the children already had of the first settlement. Everywhere we went the children were commended on their behaviour and manners. Mrs Booth and I were very proud of all the children. A fantastic day. Well done kids!

YEAR 6 MINI FETE

The day is almost on us! The Year 6 students are busy with their organisation. You would have received a price list for the event (it is also included with this newsletter). The parents of our Year 6 will be assisting on the day. Just a gentle reminder that the fete is only for the students of Kulnura School. Many thanks to all those who have assisted the Year 6 students: parents, Sciberras Fruit Stall, Eastcoast Beverages, Richard Morris, Jerry's Café. We can't wait!!

CLASS PARTIES

End of year class parties will be held on Tuesday 15th December. More information will be in next week's newsletter.

SPORTS GALA DAY PAYMENTS

As the Sports Gala Day was cancelled, there is a \$3.00 cost to be refunded to families for each child. Rather than a refund cheque, the \$3.00 could be a contribution to class parties. This would mean that lunch, a drink and party food would be supplied rather than children bringing in food to share. If you would rather your child not participate, please come and see me.

YEAR 6 DAY OUT

Our year 6 students have decided that they would like to have their day out at Taronga Park Zoo. The day out will be on Monday 14th December. The P&C have generously agreed to fund the entrance and travel costs. Mrs Pengelly and I will accompany the Year 6 students. We will travel by rail and ferry. There will be a permission and information note sent home in the next couple of weeks.

STAFF PROFESSIONAL LEARNING

Mrs Pengelly, Mrs Booth and Miss Suazo are attending professional learning over the next 2 weeks on the new K-10 History syllabus at Somersby Public School with other teachers from the mountains schools. The professional learning is after school on two Wednesday afternoons in lieu of a staff development day at the end of the year.

VOLUNTEERS MORNING TEA

We always like to thank all those people who assist us during the year. We have many helpers here and most often they are not seen. Some of the ways in which we are helped are: the many aspects of P&C, canteen, assisting in classrooms, helping at events such as athletics carnival, BBQs on special days, working bees, transporting children etc. As such we like to show you our appreciation by inviting you to morning tea. Please see our invitation in this newsletter.

SCHOOL SWIM SCHEME

Don't forget our School Swim Scheme starts this Monday. Please bring your swimmers and a towel to school each day. Do not send the children to school in their swimmers. We will have plenty of time to get changed.

FINAL ASSEMBLY FOR 2015

Our final assembly for the year will be on Friday 11th December at 9:15am. It is also our special Year 6 assembly.

Have a great week.

Kind regards,
Helen Dwyer
