Principal's Message

Late Arrival due to Bus Delay

Thank you to everyone for their understanding and patience yesterday afternoon when the bus was delayed on its return from swim school. Thanks to those who posted updates on Facebook to ensure that everyone was in the loop. Aside from being incredibly bored on the bus, the children all remained in good spirits. Many thanks to the staff for ensuring that the students were well cared for and special thanks to Mrs Lumby for her work in the office on what turned out to be a very busy afternoon.

Presentation Evening

As previously noted in recent newsletters, the Kulnura PS Presentation Evening for 2016 will be held this Thursday evening December 8. The event will commence with a BBQ run by the P&C starting at 5.15pm. The Presentation section of the night will commence at 6.00pm. We look forward to seeing you all there on the night to celebrate the students' achievements for 2016. **A reminder that the students are asked to attend the event in full school uniform.** Barring torrential rain, the event will go ahead regardless of minor weather as it will be held under the school COLA.

Parent Helpers Breakfast

On Wednesday December 14 from 8.00am, Kulnura PS staff will host a thankyou breakfast for all of those who have helped out in our school community in 2016. As we would like to ensure we acknowledge

everyone who has contributed, we will be sending out invites, though it would be appreciated if the community could spread the word about this event so that no one is overlooked.

Swimming Scheme

Swimming Scheme is now in full swing and while transport has not been a highlight so far the swimming certainly has. Well done to all the students for giving it their best. Learning to be a confident swimmer is an essential safety requirement regardless of where you live.

Semester 2 Reports

Our school reports will be sent home on Wednesday December 14. It will be greatly appreciated if time can be taken to speak with your children about their reports, praise them for their successes, identify areas for improvement and set some simple goals for 2017.

Have a great week everyone – one to go!

Multicultural Day 2016

Our students loved cooking with Chef Daniel from the Kariong Deli. Community members, students and staff enjoyed eating his Spanish Paella

There were lots of fun activities to do and delicious food to eat

Students and their families were proud to represent their culture. It was a great celebration of Kariong's diversity

Julie Bishop and Lucy Wicks (pictured with our previous and current school captains and Principal Anne Vine) came to see a school debate about politics. You might have seen them on NBN television

Try a skill day is a great experience

We love rewarding our students for their hard work
