Principal's Message

Thank you to all parents who completed the Tell Them From Me Survey. Your input is extremely helpful in planning our milestones and strategic direction for the 2020 School Plan. The school and its community are the major contributors to our children's education and we need to communicate our values through the consultation process. Our school will be looking forward to taking on new ideas and suggestions to improve our students learning outcomes in future years. These surveys assist us in the formulation of our new school plan each year.

Last Friday we held the inaugural Small School Ball Games and the day was a huge success. The weather was on the warmer side but the students had a great time. They showed wonderful team building skills when competing in captain ball and tunnel ball, with our KPS1 students doing particularly well corner spry. Thank you to our P&C for doing an excellent job catering burgers and drinks with a much rewarding water ice block to cool down at end of day. The visiting sporting agencies from Peninsula Floorball, Trudyoga, CC Junior Rugby League, AusKick NSW/ACT AFL, MDFC Football and Central Coast Waves Basketball helped make the day a success with the students. Thanks to all who helped out on the day and looking forward to making this an annual event.

Last term our students participated in Surf Life Saving Central Coast Workshops on Beach Safety. This term we have been invited to a **Beach Safety Day at Toowoona Bay Surf Life Saving Club**. The day will be our annual **rewards day with all students K-6 participating**. The P&C have kindly offered to pay for a bus, lunch and participation cost of the day. Notes regarding the rewards day will be sent home closer to the date, which will be **Monday 9 December 2019**. All parents and carers are invited to join us on the day.

Our new Kinders for 2020 started their orientation program today with Mrs Booth, who will be introducing routines and activities to our new students over the next 3 weeks. These sessions

help our new Kinders familiarise themselves with school routines. If you have any questions regarding the orientation program please do not hesitate to contact the school office to arrange an appointment with Mrs Booth.

A huge thank you to all our volunteers who helped out at the Country Fair. Our school receives a grant from the Country Fair each year. The time and effort all our volunteers put in is greatly appreciated by the whole school community. **Our school was successful in winning The Best School Art for 2019.** We aim is to win again next year.

Finally I will be on *Long Service Leave* for the next 2 weeks. Mrs Pengelly will be relieving as Principal for the first week and Mrs Booth for the second week. Ms Ashleigh Smith will be relieving on both classes over the two weeks.

Thank you!

Steve Collins
PRINCIPAL
