- End of Year Presentation - All welcome
- Basketball (sports uniform)

Tuesday 17 December

- Platinum Rewards Day - Footgolf @ Mangrove Mountain Golf Course
- KMHS Performance @ 1pm

Principal's Message

Semester 2 student progress reports will be sent home on Friday 13 December. These reports aim to capture student performance over the last two school terms. The report will include a five-point achievement scale that summarises the standard (or quality) of achievement associated with each grade and describes:

- The depth of knowledge and understanding and
- The range of skills that students working at that standard typically show.

Teachers are using achievement data and participation notes to give a rounded summary of your child's progress. Each year we invite parents to contact the school if they have concerns about their child's learning. I'm looking forward to reading the students' reports in the coming weeks.

We are currently planning for 2020, so if you have a child who will not be returning to our school next year (excluding Year 6), we ask that you inform the office staff. The number of students we have plays a vital role in our organisation and planning for 2020.

We are looking forward to our end of year rewards day at Toowoomb Bay Surf Life Saving Club. Our P&C have agreed to pay for food and bus for the day. Please return permission notes asap and ensure all

health and medical information is up to date on your child's health plan.

The Kariong Mountains High School Transition and Orientation Day is next Tuesday for those students who will be attending KMHS in 2020.

Thank you.

Steve Collins
