## Principal's Message.

A warm, happy welcome for NAIDOC to all students and families for this week. We have participated in activities around art, artefacts, and bushfood. We will continue to show our students the diversity of Aboriginal Culture to educate all students about **Aboriginal Australia** as well as celebrate the achievement of Aboriginal students. We are fortunate enough to have many family backgrounds at Kulnura PS and celebrating all cultures are worthwhile learning experiences for all students and families.

### Tomorrow night is our monthly P&C Meeting.

The meetings are held via zoom and all parents are cordially invited to participate. Zoom technology allows parents to stay at home for the meeting and jump online. Please check your email for the link. If 28 families attend a meeting once a year then the committee know that you are grateful for their efforts. **Kulnura Public School P&C committee** work tirelessly throughout the year to afford resources for all families of students who attend our school. The P&C are subsidising the swim scheme as in previous years which provides a bus to take students swimming over the 2<sup>nd</sup> last week of this term.

We are losing 4 families next year due to students moving to high school and we need support from all families to assist with the **P&C in the years to come**. If you cannot make meetings please advise the P&C of skills you have to support different events during the year.

Our Year 5 have had a workshop with myself in regards to **leadership in 2021**. All Year 5 have an opportunity to lead in some aspect of the school in roles of School Leaders, Ministers for Library, Technology, Sport and the Environment. There will be different workshops this term for the students to attend to develop their leadership understanding. Each Year 5 student will be required to present a speech on **Friday 27 November**, and students will vote for the Year 5 students they believe will lead our school and ministries in 2021.

Our school is blessed with seven new enrolments for Kindergarten next year. The new kinders are very independent whilst at transition and they look like they will adapt to routines easily when they begin school in 2021. Our Year 5 students have been super helpers with Mrs Booth in assisting our 2021 Kinders during transition. This will be the first of many responsibilities Year 5 will have coming into the new year when they move into Year 6. A big thank you to our Year 5 students.

### COVID19: A reminder to all families

- ✓ Parents and Carers and other non-essential visitors are **not allowed** on the school site unless volunteering for educational purposes.
- ✓ Students and staff with flu-like symptoms will need to be tested and **provide a copy of a negative COVID-19 test result and be symptom-free before being permitted to return to school.**
- ✓ Students and staff who do not undertake a COVID-19 test, will not be permitted to return to school for a 10 day period. Additionally, they **must be symptom-free for at least 3 days prior to returning to school.**

Finally, our **Year 6** have been very industrious around the school and this week they will lead a video segment. Each week they will be showcasing the activities we do for our school environment. I am sure they will demonstrate their pride in our school. Keep an eye on our Facebook Page for their postings. Thank you.

## Book Club Orders

**Issue 8 Book Club brochures** were sent home with students today. This issue is the final one for 2020 and includes **bonus Christmas titles**.

Please ensure all orders are **finalised by Friday 20 November, 2020**. Hopefully this will allow adequate time for orders to be delivered prior to the end of the term. Thank you.
