### Monday 31 January

- Staff Development Day 2 - **Pupil Free day**

### Tuesday 1 February

- School resumes for all students K-6

## Principals Message

Vale Cindy Berwick, a proud member of the Ngunawal nation and a tireless advocate for the power of education to help Aboriginal people achieve equality and self-determination.

I am proud to commence this week's newsletter in honour of a great person who I knew personally, as well a supervisor and a professional work colleague. I understand that no one within our community would know Cindy but her tireless efforts for "**education for all**", is the major ideology every person should take a stand for.

All people have the opportunity to make change and a good education is the steppingstone to student achievement and lifelong success. A value we aspire to at Kulnura Public School for all our students.

A funeral service for Ms Cindy Berwick took place today and as a mark of mourning and respect, we flew our flags at half-mast for today Wednesday 1 December 2021.

Cindy was President of the NSW Aboriginal Education Consultative Group (AECG) for more than 10 years. In that role, she was instrumental in co-leading and contributing to many state and national policies and strategies that have made a considerable impact on Aboriginal students and Aboriginal people more generally.

Ms Berwick influenced the NSW Government and the department to work with the AECG to co-design the Connected Communities Strategy, which she ensured was underpinned by authentic Aboriginal community input and direction. Cindy worked in many roles in the department from 1984 onwards, including as a head teacher, Aboriginal Education Consultant and Aboriginal Education and Community Engagement Officer.

*Cindy Berwick* - a passionate Rabbitohs supporter and a fierce advocate for education of our Aboriginal students and communities. She changed so many lives and will be sadly missed by all whose lives she touched.

**New Kulnura PS Uniform:** Congratulations to the P&C and Rachael for finalising the new uniform style for our school. The one uniform for all school activities will be very convenient for families and good for the family budget. We all look forward to seeing the students in their fit for purpose uniforms in the new year. As the information indicated, the uniform will be phased in over the next 3 years to allow families time to purchase new uniforms as their children grow. Please note that all students are expected to be in full school uniform each day.

**Kindergarten Transition:** Tomorrow our new Kinders will be having their orientation day. Mrs Booth has activities planned and will have helpers from other grades to assist. Our new students will also have the opportunity to meet their peers and the teachers at their new school. We look forward to welcoming them to Kulnura Public School.

Also, our Year 2 students will be participating in their transition program to the primary class, with activities planned over the next couple of weeks with KPS2. The transition will enable our Year 2 students to experience lessons and learning with the primary students. We are fortunate that our school is small in numbers and all students are familiar with each other.

**Share Our Space** opens NSW schools to our community to share quality space during the school holidays. This initiative supports our aim to place our schools at the heart of their communities. Share Our Space opens from the first Monday until the last Friday of each holiday period from approximately 8am to 5pm each day, including all public holidays. **Parents/Carers are expected to provide appropriate supervision for their child or children.** This is also stated on the signage for our fixed equipment and traversing wall.

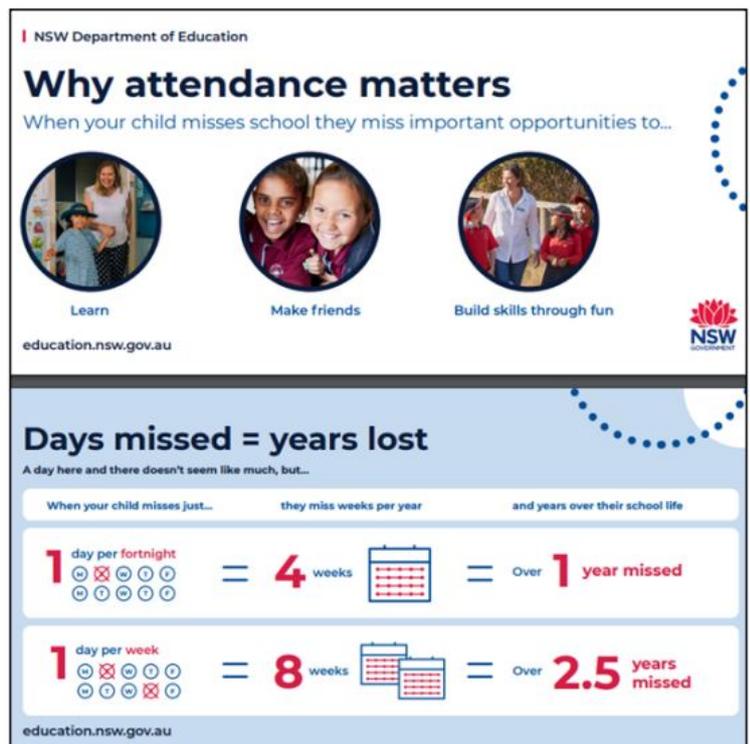

**Presentation Day** will be held at **3.00pm on Wednesday 8 December** at the front of the school. Parents wishing to watch the presentation from outside the school grounds are reminded to adhere to social distancing guidelines and be mindful that the **afternoon school bus will arrive at the school approximately 3:15pm.** P&C will draw their annual Christmas Raffle at the presentation, please ensure all tickets/money are returned to the school prior to the day. We are hoping that 2022 is free of lockdowns and restrictions allowing us to come together once again as a school community.

**NSW Health Primary School Dental Program:** The mobile dental van will be visiting Kulnura Public School in the first week of school next year. Information and consent forms have been sent home with students today. If you would like your child/ren to visit the dental van and received a **free check-up**, please complete and return the consent and Medicare forms to the school before the end of this term (Thursday 16 December, 2021). Please see page 3 for further information.

**Changes to Staff Development Days:** At the commencement of 2021, there were amendments to our Staff Developments Days (SDD's). These amendments impact Term 1 and 4 only. As a result of the changes there will no longer be two SDD's at the end of Term 4. Instead, there will be two at the beginning of each school year. **Therefore, last day of school for all students this year is Thursday 16 December 2021.**

The 2022 school year will commence with two Staff Development Days. **Therefore, the first day of school for 2022 for all students K-6 will be Tuesday 1 February.**

**Steve Collins**  
**PRINCIPAL**

NSW Department of Education

### Why attendance matters

When your child misses school they miss important opportunities to...

- Learn
- Make friends
- Build skills through fun

education.nsw.gov.au

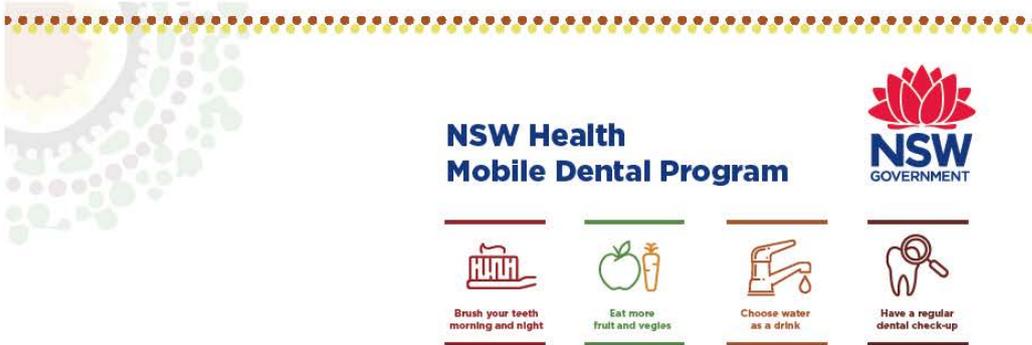

---

### Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just...	they miss weeks per year	and years over their school life
1 day per fortnight	= 4 weeks	= Over 1 year missed
1 day per week	= 8 weeks	= Over 2.5 years missed

education.nsw.gov.au

## NSW Health Primary School Dental Program

NSW Health is working with public primary schools to offer **free dental check-ups** and preventive care to students as part of a school-based mobile dental program. Your child's school has been selected to participate in this program.

The program involves a mobile dental team making scheduled visits to your child's primary school. During the first appointment a dental check-up and preventive care package will be provided, subject to parental consent.

**The program is scheduled to visit your child's school from 1/02/2022 to 4/02/2022.**

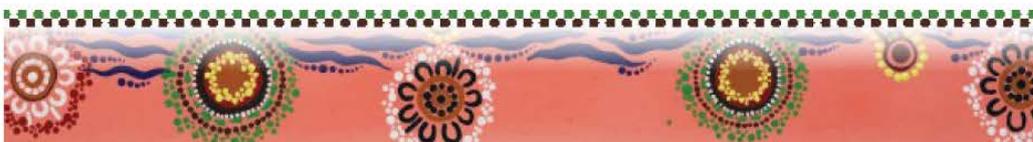

Parent Information and Consent Packs have been sent home, including information sheets, consent forms and the program privacy statement. Parents/guardians who want their child to receive care are advised to:

1. Read all the information provided
2. Carefully complete the consent forms
3. **Return the consent forms to the school before the end of this term (16/12/2021)**

More information about the program is available on the NSW Health website:  
<https://www.health.nsw.gov.au/oralhealth/primaryschool dental/>.

From July 2019, children attending participating primary schools in The Central Coast will have access to free dental care through the NSW Health Primary School Mobile Dental Program.
